YOU MAY BE ENTITLED TO A REWARD

Most people who
find clubs or other

golf equipment have no way of returning them to their owner.
MyTAG Recovery Seals provide a speedy, efficient method to
reunite lost property with its owner.

Here's how MyTAG works:

Each set of **MyTAG Recovery Seals** feature a unique identification number through
which you and your property will be exclusively linked. You can activate them online
or via text for instant activation (see inside pack for details). Then follow up by
registering your details online. Your **MyTAG Recovery Seals** are supported by a
network specifically designed to assist in the recovery of lost property. Anyone who
finds any property with a **MyTAG Recovery Seal** attached need only contact **MyTAG**
via the website or by phone (*all clearly marked on the MyTAG Recovery Seal*).
This activates 24/7 action to reunite you with your property. We will contact you and
inform you how and where to recover your property.

MyTAG ADDED BENEFITS include:

- ▲ **FREE 24/7 notification of found property via text and email**
- ▲ **FREE interactive multi-language website for overseas travel**
- ▲ **3 YEAR Replacement Guarantee of all MyTAGs**
in event of damage, loss or wear and tear from date of first registration**
- ▲ **PLUS MyTAG Wallet card**
